

Center for Occupational and Environmental Health Grand Rounds Series

David A. Herman, BS
University of California, Irvine

“Shot Through the Heart and Particles are to Blame!”

June 13, 2017
6:00 – 7:00 pm
100 Theory, Suite 100, Conf Rm 158

Target Audience: Occupational medicine practitioners, primary care practitioners, and other healthcare professionals who desire further training in occupational and environmental medicine.

Purpose: The COEH Grand Rounds consist of current concept lectures on the assessment and management of occupational and environmental health issues. Current research findings will be described, current landmark research will be discussed and in selected cases, relevant journal articles or other materials may also be distributed.

Accreditation Statement: The University of California, Irvine School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Educational Series Global Objectives: At the conclusion of this activity, the participant should be able to

- Summarize core competencies in occupational and environmental medicine as identified by the American College of Occupational and Environmental Medicine
- Describe strategies to assess and manage occupational and environmental health risks in the individual, workplace, and

community.

- Cite current research findings in the field of occupational and environmental medicine.
- Outline key issues in the delivery of occupational and environmental medicine care, including awareness of the workers' compensation system, occupational safety and health law, and occupational and environmental health regulation.

Designation Statement: The University of California, Irvine School of Medicine designates this live activity for a maximum of 1 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Disclosures: Mr. David Herman has disclosed that he does not have any affiliations, arrangements, or financial agreements which could be perceived as a potential conflict of interest with his presentation.

Course Director/Planners: As course director and planners Catherine Boomus, MD, MPH and Ulrike Luderer, MD, PhD, MPH have disclosed that they have no affiliations, arrangements, or financial agreements which could be perceived as a potential conflict of interest. Amelia Ventura, as administrative

staff, has disclosed that she has no affiliations, arrangements, or financial agreements which could be perceived as a potential conflict of interest.
