The University of California, Irvine School of Medicine designates this educational activity for a maximum of 1 category 1 credit toward the AMA Physician's Recognition Award. Each physician should claim only those credits that he/she actually spent in the activity. <small><i>Disclosure Statement:</i></small> It is the policy of the University of California, Irvine Medical School of Medicine and the Continuing Medical Education Office to ensure balance, independence, objectivity and scientific rigor in all CME activities. Full disclosure of conflict resolution will be made in writing via handout materials, flyer or syllabus.	<small><i>For Grand Rounds Conferences Only:</i></small> California Assembly Bill 1195: California Assembly Bill 1195 requires continuing medical education activities with patient care components to include curriculum in the subjects of cultural and linguistic competency. It is the intent of the bill, which went into effect on July 1, 2006, to encourage physicians and surgeons, CME providers in the state of California, and the Accreditation Council for Continuing Medical Education to meet the cultural and linguistic concerns of a diverse patient population through appropriate professional development. The planners, speakers, and authors of this CME activity have been encouraged to address issues relevant in their topic area. In addition, a variety of resources are available that address issues cultural and linguistic competency, some of which are included in your syllabus or handout materials. Additional resources and information about AB1195 can be found on our website at http://cme.uci.edu .

* In compliance with the Americans with Disabilities Act, if you have any special needs, please contact Brianne Tsunezumi at (714) 456-2993 7 days prior to the meeting.
