10th Annual Gastroenterology & Hepatology Symposium

Feb. 2–3, 2018

Disney’s Grand Californian Hotel & Spa, Anaheim, CA

H.H. Chao Comprehensive Digestive Disease Center, Orange, CA

Registration for active physicians: $325
Registration for all others: $225

This activity has been approved for AMA PRA Category 1 Credits™

Successful completion of this CME activity enables the participant to earn up to 15 MOC points [and patient safety credit] in the American Board of Internal Medicine’s (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider’s responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC points.
About Us

The UC Irvine Health H.H. Chao Comprehensive Digestive Disease Center (CDDC) provides comprehensive, multidisciplinary gastrointestinal services through a team of dedicated gastroenterologists, surgeons, oncologists, pathologists, radiologists, dietitians, nurses, social workers and case managers. For over a decade, CDDC has served as a regional resource for complex and tertiary care, continually leveraging advanced technology in ways that expand the range of effective diagnostic and treatment options.

As part of the UC Irvine Health Chao Family Comprehensive Cancer Center — the only National Cancer Institute-designated comprehensive cancer center in Orange County — patients can also access clinical trials and therapies not available elsewhere in the region.

More information about our services is available at ucirvinehealth.org/cddc
