

WORLD PI WEEK

“LIFT OFF” with us on Wednesday April 23rd

Please join us to celebrate **WORLD PI WEEK** and expand our global efforts to raise awareness of Primary Immunodeficiency the week of April 22nd-29th. The Jeffrey Modell Foundation established World PI Week nearly 20 years ago! Since then WPIW has “**ballooned**”... worldwide. Last year **Dr. Sudhir Gupta** joined the efforts to spread the word and we look forward to doing so again this year!

JMF designed balloons and bubbles that we will “launch” on Wednesday April 23rd JMF has organized this global get-together so that doctors, nurses, patients, families and friends and staff will set free thousands of balloons to affirm as one voice, our dedication, passion and commitment to patients with Primary Immunodeficiency.

Here at the **Gottschalk Medical Plaza**, Dr. Sudhir Gupta will be hosting a small gathering to launch our balloons and bubbles and we would love for you to join us!

Who: Our Friends, patients, staff, everyone is welcomed!
What: Balloons & Bubbles Launch & light refreshments and snacks
When: Wednesday April 23rd, 2014 at 12noon
Where: In front of the Gottschalk Medical Plaza
RSVP: Mitzi Vanhorn by April 18th vanhornm@uci.edu

We will stand together to bring awareness and continue in the effort to save lives. Let each balloon and each bubble symbolize a newly diagnosed patient!
