**FOR RENAL/NEPHROLOGY GRAND ROUNDS ONLY**

The University of California, Irvine College of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

In compliance with the Americans with Disabilities Act, we will make every reasonable effort to accommodate your request. For any special requests, please contact Kristine S. Fuentebella at (714) 456-5142, 7 days before the meeting day (dates).

**Global Objectives:**
1. Analyze current guidelines and develop a strategy to apply in the overall care of patients with CKD, kidney transplants, hypertension, fluid, electrolyte and acid base disorders
2. Critically review and analyze the care of patients undergoing renal replacement therapy using national guidelines and best practices
3. Critically analyze data from clinical research findings or updated care guidelines and apply it to the care of patients

**It is the policy of the University of California, Irvine College of Medicine that the faculty and sponsor discloses real or apparent conflict of interest relating to the topics of this educational activity and also discloses discussion of unlabeled/unapproved uses of drugs or devices during their presentation(s). Detailed disclosure will be made in the activity handout materials.
