# Nutritional and Dietary Management of Kidney Disease: A Patient Care Approach

We are what we eat: Learn how to optimize kidney health through nutrition and diet

**Saturday, Feb. 29, 2020**  
**7:30 a.m. – 4:45 p.m.**

UCI Medical Center  
Bldg. 53, Auditorium  
101 The City Drive South  
Orange, CA 92868

UCI Nephrology has teamed up with the nation's leading experts to leverage their interests and expertise to provide insights on real-world clinical management and hands-on workshops for dietary approaches.

This is a full-day CME course for physicians (nephrologists, internists, urologists and family practitioners) and other healthcare providers and allied health professionals (dietitians, nurses, nutritionists and researchers) who will learn the pathophysiology and mechanisms related to the role of nutrition in kidney disease and kidney health.

For more information, contact Kristine Fuentesbella at [kfuentesb@uci.edu](mailto:kfuentesb@uci.edu) or 714-456-5142.

**UCI** School of Medicine

## Registration and Course Fee

\$45 — Physicians

### Accreditation Statement

The University of California, Irvine School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

### Credit Designation Statement

The University of California, Irvine School of Medicine designates this live activity for a maximum of 7 *AMA PRA Category 1 Credits*.™ Physicians should claim only the credit commensurate with the extent of their participation in the activity.

### ABIM MOC Recognition Statement

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 7 Medical Knowledge MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program.

Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

In addition, 7 CEUs will be available for nurse practitioners, registered nurses and registered dietitians. It is the participant's responsibility to submit their UC Irvine attendance certificate directly to their respective board.

### California Assembly Bill 1195

This activity is in compliance with California Assembly Bill 1195, which requires continuing medical education activities with patient care components to include curriculum in the subjects of cultural and linguistic competency. For specific information regarding Bill 1195 and cultural and linguistic competency, please visit the CME website at <http://www.meded.uci.edu/CME/>
